McLAUGHLIN-BUICK welcomes comparisons. Select any car you wish—compare it town by town with McLaughlin-Buick. Compare the long-standing and stability of its manufacturers—the extent of its resources—the number of cars produced—the number of cars in actual service today—the correctness of its engineering principles—the number and quality of its mechanical features—the provision made for the comfort and convenience of passengers—the quality of the craftsmanship and coach-work—the reputation and prestige it enjoys—the price for which it sells—and the value which it represents.

Compare any or all of these things. Select any measure by which you can judge a car. And, then, from the facts of the case—draw your own conclusions. It is upon such comparisons that McLaughlin-Buick supremacy has been established.

Clareholm Community Skating and Curling Association Organizes

A meeting of the contributors to the skating and curling rink fund was held in the L. O. F. hall on Monday night. T. C. Mines was chosen chairman, and J. R. Watt secretary.

After due deliberation it was decided to incorporate under the Societies Act as a community enterprise.

Several names were proposed for the organization, the name chosen being "Clareholm Community Skating and Curling Association."

A motion was passed authorizing the chairman to appoint a committee to draw up by-laws. The following were appointed: C. J. Braren, E. H. Mack, and J. R. Watt.

The choice of a location for the rink brought out a rather warm discussion. The committee that has been in charge of the savings for funds reported in favor of lots on Railway street lying north of the old Economy feed barn. Those who were not satisfied with this site argued for other locations. On being put to a vote a considerable majority voted for the amendment to the motion, the said amendment providing for the acceptance of the committee's choice on condition that the old barn on the adjoining lots should be removed before the rink is built. Whether this condition can be complied remains to be seen, but the chances appear to be against it.

"THE GORILLA"

With astonishment and amazement theater-goers of New York and London have thrilled with the wonderful mysteries which surround "The Gorilla" which comes to the Rex theater Tuesday, April 19.

You would not understand the story if we told it, but it must be seen to realize there was so much mystery ever woven into one play.

This production has thrilled hundreds of thousands of theater-goers and laughter is pre-eminant, mingled with thrilling, energy, and mysterious moments ending with a climax that keeps the audience tense until the end.

The old saying is true, that a person may be thrilled once in a while, but the greatest thrill they can ever get, will be when "The Gorilla" comes to the Rex theater on Tuesday, April 19.

While under a bombardment of laughter, this mysterious play will hold the audience in its grasp until the mystery is finally solved. Never before has a mystery play held its grip on its audience as has "The Gorilla."
